

Outdoor Skills Weekend Spring

May 15 –16, 2010
Camp Birch - Training Lodge

Come and participate in a fun-filled program of hands-on skills training in the outdoors, designed to help you master basic camp skills.

Instructors will help you learn how to set up camp, cook, work with woods tools and about ropes, first aid, planning campfire programs, map reading and compass skills, hiking and packing techniques, nature identification, and Leave No Trace. Each outdoor session will bring to life the pages of the *Boy Scout Handbook* to help you deliver the promise of Scouting to yourself and the youth you serve. It will increase your comfort level and give you confidence as a trained, skilled leader. The program will also give you the opportunity to work with other Scout leaders from your area, meet new friends and reinforce skill techniques with fellow unit leaders.

Participants must attend the entire weekend to complete this section of training.

The registration fee is \$40 and includes meals and all program supplies. Please be considerate and pre-register one week prior to the training to ensure the trainers can plan meals accordingly.
