

# Venturing Week at Camp Birch

## New for Summer 2010

We are excited to announce the first week-long Venturing Camp at Camp Birch. You can earn the Outdoor Bronze Award, or work towards some of the Electives for the Ranger Award, while enjoying a fabulous week of fun and fellowship with your crew and other Venturers. We are designing a program that covers some of the core requirements while allowing enough flexibility to engage those who are ready to advance further along the path to becoming a Ranger.

The dates for this camp are July 25-31, 2010. Registration will soon be available online at our website <http://www.tecumsehCouncilbsa.org/SummerCamp.html>. The basic camping fee for Venturing Camp will normally be \$250, with an early bird discount of \$230, but this year we are offering this camp at an introductory discount of **\$185**, if paid by the early bird date of May 7<sup>th</sup>.

Although the program is still in the formative stage, we will be offering such things as:

- Standard First Aid
- Leave No Trace
- Cooking
- Land Navigation
- Conservation
- Fishing
- Lifeguard Certification
- Outdoor Living History
- Plants and Wildlife
- Project COPE
- Shooting Sports
- Watercraft

This is not a complete or final list, so if there is a particular activity that your crew is interested in pursuing, please let us know as soon as possible so we can see if we can work it into the program. Contact the Program Director, Joanna Snyder, at [program@kampknots.com](mailto:program@kampknots.com).

We look forward to seeing you this summer.

Camp Birch Summer Staff.
